Building a sustainable home

At Deceuninck, our commitment towards innovation, ecology and design provides us with a clear focus: building a sustainable home. A home that is more energy-efficient to live in and more attractive to look at. Deceuninck works worldwide with state-of-the-art materials, resulting in low maintenance, top insulating and long lasting products that can be fully recycled at end of life. Moreover, our values of Candor, Top performance and Entrepreneurship help us build a better world for our Partners and end users. Deceuninck has strong ambitions. We want to build a work environment in which people are proud to contribute, and strengthen our position within the top three market players. Alongside our ecological sustainability, Deceuninck also pursues financial sustainability.

Deceuninck employs about 2700 people in 25 countries, of which 600 in Belgium. Deceuninck sales in 2012 were €556.9 million with a net positive result of €4.2 million.
